

Superstatic 789

**High-Tech composite
Lightweight and versatile
The new fluidic oscillation
compact heat meter**

- **Fluidic oscillation flow sensor IP68 of high-tech composite**
- **Half the weight of existing products**

All features and options as for Superstatic 749 and Supercal 739

- Combined heating/cooling meter MID Class 2
- Detachable IP65 integrator
- Two pulse inputs
- Bidirectional Radio Supercom 433 MHz
- Wireless M-Bus and OMS Radio 868 MHz
- Two pulse outputs
- M-Bus powered over M-Bus line
- Battery lifetime 6+1 or 12+1 years
